ABOVE: A group of students enjoy their lunch outdoors.

ABOVE: Jonathan Petri, Ronnie Morlan, Kenny Jackson, Joe Kramer, Erin Tyler, and Natalie Tretter offered to share their lunches with our photographer.

## Turmoil Builds Character

This year we have endured many hardships, not only with the teacher strike, but also with the unprecedented attack on American soil. Although these events will be included in this yearbook, they will not be its focus. We tried to highlight the happier, more exciting times of this year. Memories, both good and bad, are equally important when looking at the Big Picture.

Sincerely,  
Nathan Gaudreault  
Editor-in-chief

The GCHS Homecoming parade was exciting this year. It was also a great way to re-unite the clubs and organizations of the school. Once again, JILG won the float contest. Unfortunately, some clubs were not able to participate this year. The pep rally was also a huge success. Support was shown everywhere. Later that evening, the bon-fire sparked peoples' spirits.

The Homecoming Court, consisting of seven couples, was exceptional. This year's court included Tommy Tedesco and Tiffany Bernaix, Jason Miller and Lindsay Schardan, Nathan Ruebhausen and Erin Tyler, Ashley Patton and Scott Mullen, Brad Bolt and Jada Foster, Ted Wallace and Kelly Mitchell, and Paul Rotter and Jackie Schooley. The court represented the school and themselves with the highest prestige at both the Homecoming football game and the crowning ceremony that took place after the play "Rumors."

# Alpha Peer Leaders / Empathy

The word empathy, which means understanding and sympathizing, is a hard thing to develop. Mr. McHugh and Mr. Johnson, the sponsors of Empathy, have become masters at it. The club's biggest success yet has been the Big Brothers/Big Sisters program. Students who are Alpha Peer Leaders receive training so that they can visit the freshman health classes to talk to them about issues such as peer pressure. To be an Alpha Peer Leader, a student must also be a member of Empathy.

## NATIONAL HONOR SOCIETY

National Honor Society does so much for the school and community that it is hard to choose a few examples. They sponsor a blood drive for the Red Cross, they walk for cystic fibrosis, they create and operate a haunted barn to raise funds for the United Way, and they work in several fund-raisers for the American Cancer Society, including the Jail & Bail. Mr. Puhse said he is proud to be a sponsor because he gets the chance to work with the best students in the school and to give back to the community all at once. Mrs. Heath said that she loves sponsoring NHS because she can see the activities bring out the charitable and empathizing side of the club members. Each year, NHS students find that they must live up to, and surpass, the high achievements set by the previous class. As a result, NHS members contribute more each year to the community.

"I enjoy participating in the Science Club because I get to know many people. We learn a great deal about each other and have a lot of fun in doing so. I have been in it since my freshman year and do not regret one minute of it." - Justin Kerber

Led by President Justin Kerber and Vice-President Kelly Greathouse, and sponsored by Mrs. Amy Heath, Mrs. Julie Kleuter-Schreiber and Mrs. Sheila Alexander, the Science Club is one of the largest clubs in the school. The main event is the end-of-the-year camping trip. Members must participate throughout the full school year to be eligible for the trip. In the past, the club has gone canoeing, rappelling and spelunking on the trip.

The SADD Club is sponsored by Mrs. McFarland, Officer Popmarkoff and Mr. Storm. This year's club officers are Jennifer Hay (President), Ashley Rivenburgh and Summer Daugherty (Vice President), Chris Franco (Treasurer), and Mallory Mueller (Secretary). The SADD Club helps arrange the D.A.R.E. dances in the high school cafeteria and participates in the American Cancer Society Relay for Life. "I enjoy chaperoning the D.A.R.E. dances because it shows kids how to have fun without the aid of mind altering substances," said Jennifer Hay.

# Future Educators of America

Future Educators of America is the club to be in if you aspire to be a teacher. The major project of the club is Junior Achievement, which teaches children that it is important to be involved in their community. It also helps them find out about job opportunities. And, who do you call before a test when you are having trouble with a subject? Just contact FEA and get a tutor. The members of FEA are your peers, and they can help you do your best.

The Social Studies Club is for anyone who likes to travel. Every spring the club takes a trip, the most recent one to New York City. Along with everyone else, members of the club were shocked on 9-11-01, and most had a very empty feeling for quite some time, as echoes of "I was just there" rang through the hallways. When students realized much of the seemingly indestructible city was destroyed, as several buildings fell that horrible day in September, they could not come to grips with what was to come. This year, there will still be a trip, but it is very doubtful that any trip will be as treasured as the New York trip of 2001. Students who were there will always remember old Manhattan island.

The JETS team is the best of the best at GCHS. They compete once a year. Winning this competition in chemistry, physics, English, math, or drafting allows students to advance to Sectionals, and finally to State. This year, Jeremy Nighohossian qualified for the Sectional competition by placing second in English; he also placed third in chemistry. Erin Tyler placed fourth in English and seventh in physics.

If you know Beethoven was born in Bonn or if you can find a polynomial's third derivative, then you should try Scholar Bowl on for size. Dubbed "The Red Menace" by opposing teams, the Varsity team had one of their best seasons on record, advancing to both the State Masonic Tournament and the State IHSA Tournament. "I enjoy the fact that everyone on the team values knowledge for its own sake," said Jeremy Nighohossian. Added Mikail Andra, "It's been a fun ride, an incredible learning experience, and we can only hope that it will continue after we're gone."

# VICA

VICA is about developing skilled people and putting them to work in a good paying job. Mr. Don Kimbrell, VICA sponsor, said, "We have great students with tremendous potential. I only wish they could be more focused and seize the opportunities available to them in our high school programs. I see champions in the making, but far too many limit their progress by failing to see the importance of staying on task and mastering the basic fundamentals."

Mr. Kimbrell, the school's welding teacher, has sponsored VICA for 12 years. He is also the St. Louis Section Chairman for the American Welding Society and recently received the Howard E. Adkins Instructor Membership Award, an award given each year to only two people in the nation.

The Hockey Club, designed for people who love hockey, is sponsored by Mrs. Wesley. The club usually attends one Blues game a year and is hoping to do much more. Mrs. Wesley said, "We support both hockey teams, Mississippi Valley and Mid-States, but you don't have to be a team player or a cheerleader to belong. We always take a field trip to a Blues game and for the first time this year attended a Missouri River Otters game."

ABOVE: With only 50 seconds left, the Blues led the Kings 2-0 on the night the Hockey Club went to watch the game.

# Business Technology

The Business Technology Club is the continuation of Future Business Leaders of America. The club had many strong club members to start the year and was very successful with its fund-raising. They collected \$350 for a family with ten children who sadly lost their father on September 11th, 2001. The club also sponsors a March of Dimes fund-raiser. When asked what she thought about the club's achievements, sponsor Ms. Carol Sturdivant replied, "This club has their priorities straight."

# Spring Musical "PIPPIN"

Neil Simon's "*Pippin*" is almost a backwards Cinderella story. Pippin is searching for a better life. He wants excitement and faces disappointment and heartache to get it. In the end, he finds that the extraordinary life he had always wanted was not all it was cracked up to be and ordinary life is not so bad.

# Winter Play Second Class

This year's production of Brad Slaughter's *Second Class* was exceptional. With an excessively large cast of thirty-one people, Mrs. Amy McQuiggan handled everything quite well in her directorial debut. Commenting on the production, Brandon Ragan, one of this year's student directors, said, "I was a little worried at first because there were so many people, but in the end, everything turned out very well."

## Warriors' Season Short but Well-Fought

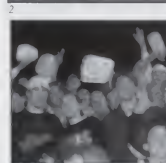

Needless to say, it was a short but well-fought season for the Boys' Soccer Warriors. With high hopes going into the year, the boys began their season with four shut-outs and a 5-1-1 record before the teachers strike.

The Warriors wanted to stay successful on the field during the strike, so they practiced every day. Success also came off the field for the boys. As a team, they went to the school board meeting and addressed the board in hopes of getting back into school and back on the field.

"We walked into the board room and it was obvious they were surprised to see us there. I think it helped them make a decision because not only were they, the board and the teachers, affected but also the students and the community," said Nathan Gaudreault, a senior.

After the four week strike was resolved, the boys returned to the field. They were seeded second in the Sectional and received a first round bye. In the second round the Warriors faced Belleville East and won by a score of 4-1.

Unfortunately, the Warrior's season ended much sooner than they had intended, when they were defeated in the third round by a score of 1-0 by Springfield High School. Although the season was much shorter than anticipated, it was not a complete loss because five seniors received Post-Season Awards.

## THANK YOU!!!

The Yearbook Staff would like to thank all of the people who supported us this year. We would especially like to thank the following individuals and organizations for their contributions to the production of the 2002 yearbook:

Mr. Thomas Holloway, Mr. Greg Patton, Mr. Jerry McKechn, Mrs. Georganne Georgeff, Mrs. Marilyn Chrusciel, Mr. James D. Parker, Mr. Dennis Gieson, from Jostens Mr. Ed Sugden and Mrs. Cindy Johnson, Lifetouch Photography, the *Granite High World*, Ms. Laura Sullivan, Mrs. Maggie Vaught, Mrs. Karen Wesley, Ashlee Connolly, Stephanie Williams, Justin Kerber, Jeremy Nighohossian, Patrick McGee and ALL of the Seniors who submitted baby pictures.

the 1990s, the number of people in the UK with a long-term condition has increased by 50% (Department of Health 1999). The prevalence of long-term conditions is expected to increase further as the population ages (Department of Health 1999).

Long-term conditions are those that are chronic, recurrent or progressive, and are not cured by treatment. They are often associated with a high risk of disability and premature death. Long-term conditions are often managed by a range of health professionals, including general practitioners, nurses, pharmacists, physiotherapists, dietitians, and health visitors. The management of long-term conditions is often complex and requires a coordinated approach. The management of long-term conditions is often a long-term process, and it is important for patients to be involved in their own care.
